We are so in love with our invitations and I'm so excited to start distributing them to my family and friends! Each one really was so well made and lovingly packed. You can just feel they were made with love. Thank you so much Bonnie x"

Callum*

"Bronnie was absolutely fantastic in designing our wedding invites. We thought we were not sure on what we wanted but after our first meeting with Bronnie she helped us work out that we did. She sent over a variety of designs and worked with us to make the most beautiful invites.

Bronnie has always been really quick to respond to questions and made the whole process so easy. We absolutely love our final design and our guests have said how beautiful the invites are with such attention to detail.

We will definitely be in touch with Bronnie for our other wedding stationery."
